

July 8, 2024

Dear Department of Transportation,

As of the date of this letter, 3M confirms American Sign and Signal Corporation in Dickson, Tennessee has been certified by 3M's digital printing certification program. Certification indicates that 3M has verified through discussions, fabricator samples, and validation (on-site or remote) that, as of the date of this letter, the sign fabricator has the equipment and training necessary to digitally image traffic signs meeting ASTM D4956 "Standard Specification for Retroreflective Sheeting for Traffic Control. Certification does not guaranty the quality or compliance of signs produced by American Sign and Signal Corporation. American Sign and Signal Corporation remains responsible for all compliance and performance aspects of the digitally imaged signs. American Sign and Signal Corporation's certification status expires one year from the date of this letter.

Sincerely,

A handwritten signature in black ink that reads "Brent Batchelor".

Brent Batchelor
Global Portfolio Senior Manager, Signing
3M Commercial Branding & Transportation Division
